Address:

Number:

Does the office take my insurance? If no, what is the cost of care?

How many doctors work in this office? Solo practice?

How long has the doctor been practicing? Sub-specialties?

Is there a nurse practitioner? Her/his hours?

Office hours?

Do they offer evenings or weekends? (You would be surprised to know that some offices are open on Saturdays!)

What if my baby (or I) gets sick when the office is closed? What is the on call procedure?

If a solo doctor, who covers in an emergency if not on call?

Is there a local urgent care or pediatric urgent care that they recommend?

What hospitals are they affiliated with?

Do they offer same-day sick appointments?

How far in advance do well appointments need to be scheduled?
(A great ? if you are looking for an OB/GYN)

Do they have separate sick and well waiting rooms?

Who handles calls for routine and non-emergency questions?

If I leave a message, how long does it usually take to return the call?

What is their schedule for well baby check-ups?
