

Pediatrician Questionnaire by *Lily & Bliss*

How do they set up immunizations?

Are lab tests completed in the office?

Was the office clean and child-friendly?

Did you have to wait? How long?

Was the staff friendly?

Was the doctor friendly?

If it is important to you ask:

What are their views on immunizations? All at once? Spread them out?

What is their view on bottle feeding? Pacifiers?

What is their view on antibiotics?

View on cord-blood storage?
